

LAST CHANCE

To KNOW THE FACTS before the  
Barre Town Board announces  
their decision on changes that APEX / HERITAGE WIND HAS  
REQUESTED.

Announcement slated by Town Board for the January 9<sup>th</sup> 2019  
meeting.

You as a tax payer must hear the truth: There will be TV, radio, cell phone, aviation problems. If the Town officials do not put a ban in our wind law on ROW (Right of Way, a ban on de facto use) then you will lose rights to your property, whether you have a lease or not. YOUR PROPERTY WILL DEVALUATE. The officials need to protect all residents!!!  
Mandate a 2500 foot set back from property line!! PROTECT OUR HEALTH!!
